

## **Brittney Huff**

*Candidate for 2022 UMANT Executive Board President*

---

Hi! My name is Brittney Huff, and I am currently the Director of Operations for the City of Hudson Oaks. It is with great enthusiasm that I announce my candidacy for UMANT Executive Board President for 2022.

As an active UMANT member since 2017, I have served in a variety of roles in the organization. I spent two years as the Networking & Mentorship chair, and for the past year, I have served as board Secretary. UMANT is very special to me as it has helped me continue my professional growth after grad school, while also bringing a wonderful network of people into my professional and personal life.

As President, I want to continue to build on the strong foundation UMANT has created for young professionals in local government and local government organizations. I am proud of the networking, professional development, scholarship, and continuing education opportunities we offer in our established annual calendar.

The world we live in today is filled with challenges, and it is especially difficult to be in the public sector right now. UMANT makes it easier. I want the UMANT membership to know that I will strive as President to do the very best job I can do, and that the success and relevancy of this organization are very much a priority for me.

I am excited for the opportunity to serve UMANT as the Executive Board President and would appreciate your vote in the 2022 election.
