

Hi UMANterS, my name is Elizabeth Johnson and I am seeking to be your UMANT Vice President for 2024. I currently work as the Assistant to the City Manager for the City of Plano for the past 3 years. I became an active member of UMANT in 2021 and this year serve as the Chair of the Professional Development Committee.

UMANT is a valuable organization for emerging professionals in public administration providing opportunities for members to connect with each other as well as experienced executives. I've been able to build relationships through UMANT and grow through our professional development events. I am enthusiastic to serve in UMANT's leadership to support the next President by continuing our mission and annual events, while strategically exploring how the organization can progress forward through its membership, networking, and professional development opportunities. I believe it is important to actively participate and be engaged in what we commit to and bring that dedication to UMANT.

I would be honored to have your vote for the opportunity to serve UMANT on its Executive Board. Reach out to me with any questions or suggestion at [ejohnson@plano.gov](mailto:ejohnson@plano.gov) or 469-409-8592.
