If you are looking for

1. An affordable graduate degree with strong scholarship support,
 2. A nationally ranked MPA program that provides a top-quality experience,
 3. A quality degree that offers most classes in person with professors who take an interest in your success,
 4. Well-paying internship options,
 5. And a graduate program renowned for its supportive alumni network,
- The University of North Texas MPA program may be just for you.

This webinar will cover these topics:

1. Using an MPA degree to open the door to your career in public service;
2. Distinguishing features of the UNT program;
3. Course requirements and the national reputations of our professors;
4. Securing a paid internship and ongoing support for your career success.

If you have additional questions, please contact Dr. Bob Bland at bbland@unt.edu.
